The transfer is kept in abeyance until further orders.

N. S. SUBBA RAO,
Offg. *Inspector-General of Education.*

FINANCIAL DEPARTMENT.

SUBJECT—Procedure regarding the drawing and accounting of moneys drawn for acquisition of lands.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 100, *dated* 21*st July* 1927.

To

Deputy Commissioners of Districts,
and Treasury Officers.

Several cases have been noticed in which the amounts drawn by Civil Officers (appointed Land Acquisition Officers) from treasuries in connection with the acquisition of lands, are not accounted for properly and the rules laid down in Appendix XV, Mysore Account Code, Volume I, First Edition and the instructions contained in G. O. No. R. 632-92—L. R. 65-22-1, dated 25th July 1922, are not followed. Award statements and payees' receipts are not sent to this office promptly and moneys drawn are kept under "Revenue Deposits" *in the name of the Land Acquisition Officers* instead of in the name of the parties. The following instructions are, therefore issued for the guidance of the Departmental and Treasury Officers:—

(1) As soon as an award is made by the Land Acquisition Officer, a copy of the award statement in the prescribed form (Form 67, Mysore Account Code, Volume 1) should be sent to the Comptroller, by the Land Acquisition Officer, additions and alterations, if any, in the award statement being also communicated to him.

2. Thereupon, the Officer shall arrange for payment of compensation as indicated below:—

(*a*) If payment has to be made to each payee separately, the Land Acquisition Officer will countersign the receipt taken from the payee in Form 70, Mysore Account Code, Volume I and make it payable at the treasury to the payee.

(*b*) In the case of payments to be made to several individuals, the Land Acquisition Officer will draw the amount from the treasury on his own receipt as an advance, giving reference to particulars of land as also to the award statement and, in cases where the amount relating to an award is drawn in instalments particulars of the amounts previously drawn. The drawings will be limited to amounts required for payment to parties to whom notice of date of award of payment has been served. After making the payments, he will forward the receipts of the payees in Forms 70 and 71, Mysore Account Code, Volume I, direct to the Comptroller.

(*c*) When parties do not appear either personally or through a duly authorised agent, within the time specified by the Acquisition Officer, the amount will be remitted to the treasury for credit to "Revenue Deposits" *in the name of the party*, accompanied by a chellan in the special form (Form 73, Mysore Account Code, Volume I). The treasury receipt obtained in this special form will be sent to the Comptroller, as a voucher in support of the amount drawn. Subsequent payments will be dealt with under the rules relating to Revenue Deposits.
